

Module 2: Project Location

Overview

Learning Outcomes

Duration

The second module of the course introduces students to the country, city and precise design location for the WTINE competition.

An interactive map introduces the students to Zambia. A video shows the students what life is like for children living on the streets in Kabwe and the work Zamda Ireland are doing to support these children at their school and emergency shelter, Sables Nua. Sables Nua is the WTINE design location for students.

Students recap core points in an interactive quiz.
