

Module 6: Innovation Academy

Overview

Learning Outcomes

Duration

The sixth and final module of the course introduces students to EWB's Innovation Academy and how it works.

Students learn how internships with EWB are structured. The mentorship process is explained and a case study of a former WTINE Innovation winner, Conall Casey, is shared.

Students watch a video where Conall describes his internship with EWB working on his adaptable Crutch Kit system.

Students review the winners of the WTINE competition since its inception and read testimonials from various WTINE partners.
